KEEKAROO HEIGHT RIGHT HIGH CHAIR, INFANT INSERT, AND TRAY COMBO, MAHOGANY (a) This height- and depth-adjustable seat and foot plate allows the chair to adjust in 1" increments to insure a perfect fit. Grows with your child, from 6 months up to 250 pounds! Stylish and safe with 3-point safety belt, high sides, andommel—all product components are JPMA certified. Plastic infant components are BPA-/phthalate-/latex-free. Dishwasher safe Tray cover. Other finishes and colors available. Made in USA. \$190; keekaroo.com.

BABYBJÖRN TRAVEL CRIB LIGHT (b) It provides cozy, waterproof sleeping quarters perfect for trips, at only 11 lbs. One movement setup and stores away in a travel case. Sleeping away from home with small children has never been easier. Measuring 45L x 31.5W x 23.5H," its compact design features a base with slanting edges to prevent wobbling, even if little ones are standing up or if older siblings are leaning against it. See-through mesh panels on the sides allow parents and caregivers to keep an eye on their sleeping tot. All materials are free of any harmful substances. Cotton mattress cover and fabric on the exterior of the crib are machine washable. Birth to 3 yrs. \$280; babybjorn.com/us.

BABYBJÖRN SOFT BIB (c) In our opinion, the must-have bib! Dishwasher safe this soft and comfortable BPA-free bib catches food that "misses" baby's mouth. The neckband is a soft beaded ring and has a one-second, adjustable snap closure. This allows your rapidly growing child to use it for a long time. Washing sticky and stained bibs will be a thing of the past. Just rinse it off and use it again. 4mos +. \$10; babybjorn.com/us.

MY DENTIST CHOICE TOOTH TISSUES (d) Disposable textured dental wipes specially designed to help remove plaque from infant and toddler's teeth and gums. Perfect for busy new parents eager to get their child off to a healthy start. All natural ingredients, formulated with xylitol—a natural cavity fighter; fluoride- and paraben-free. \$17/30 count/ 2pk.; toothtissues.com.
